

## 135 typical IELTS Speaking Part One questions

*The statements below are very approximately in order by the most likely topic and the most likely questions within each topic. That will mean that topics low in the list and questions low in each list are fairly unlikely, but they are given anyway to give some idea of the potential variability of IELTS questions. As the IELTS questions changed all the time and are no longer published, there will certainly be questions in the exam that are not in the list below, as well as some that are similar but stated differently and maybe some topics that are not here.*
